This is OK with OW. In addition to the redlines shared, we'd generally recommend **Ex. 5 Deliberative Process (DP)**

Given the potential short fuse, I'm sharing some feedback from our program office for your consideration. This is with Lee and Charlotte for OW clearance.

Attached is the draft release. We are on hold for distribution and social media pending the status of Hurricane Isaias and the Governor signing the official letter.

Subject: Florida 404 MOU Press Release

Nancy,

We just found out that our RA will be signing an MOU with FL DEP tomorrow, in Tallahassee, as part of the process for the state to gain approval for the assumption of their CWA 404 program. Our COS would like us to do a press release so Allison and I are working with the program to get something drafted. We are also waiting to hear from the state to see if they will contribute a quote. We will get something to you as early tomorrow as possible since this will need to be reviewed and approved by OW as well. I'm thinking we'd distribute the release @ 2:00 tomorrow.

Have a good evening.
